

Join Us

Hey, are you a musician who is interested in the same music and direction as Family Jamm? Maybe you have been to a concert and heard us play and liked what you heard?

If you are in the area and want to come by our next practice session and jam together you are welcome. Send us a email via our contact page here and let's talk. Family Jamm is all about spreading the love and hooking up with other cool cats.

Family Jamm usually gets together in Good Hope, California. If you don't know where that is click here to see a Google map of directions.
